We are looking for volunteers with diverse skills and interests. What are you interested in volunteering to do at Cardinal? (Check all that apply)

- Stewardship. Our volunteer land stewards might work on a native grass planting, invasive removal, mowing trails, or assist our Land Steward with annual visits to monitor protected land. We take care of land all over our service area. Where would you like to volunteer? (See Preserve list, below, for more information.)

___ Todd's Fork (Clinton) ___ Hunter Glen (Clinton) ___ Rinsky Woods (Clermont)
___ Kope Hollow (Brown) ___ Styer Preserve (Hamilton) ___ Wherever I am needed most!

- Education. Volunteers interested in educational outreach will help organize or host workshops, staff Cardinal booths at community events, and coordinate hikes. Suggestions for educational programming welcome! Annual educational events include: Spring Wildflower Hike, Great Outdoor Weekend, and the Christmas Bird Count. Which events are you interested in helping with, or, what event would you like to help organize?

- Administration. Office volunteers will provide support to Cardinal's small professional staff on a huge variety of projects. This work keeps our organization moving! Office volunteers are much appreciated and will enjoy air conditioning and snacks. Cardinal staff are working on one of the following at any given time, which sounds most interesting to you?

___ LAEPP Easement applications ___ Newsletter writing and mailing
___ Event mailings ___ Database updates
___ Social media updates ___ Other/ Put me to work!
